PUBLIC NOTICE.

Subject:— Procedure for applying for import licenses

December 1947, detailing the licensing arrangements for January-June, 1948. It is not possible to reproduce the contents of the Gazette Extraordinary in a Public Notice. Only salient points are mentioned below:—

1. Three lists have been published showing—
 - (a) articles which will be licensed freely from dollar areas,
 - (b) articles which will be licensed freely from non-dollar areas, and
 - (c) articles which will not be licensed at all.

Goods not classified in these lists are subject to monetary restrictions.

2. Open General License No. IX is cancelled, but shipments will continue to be allowed up to the 31st March 1948 without license for orders placed under Open General License No. IX. All shipments made after that date must be covered by license.

3. For articles which normally take a long period of time for delivery, a list of which has been published in the above-mentioned Gazette, licenses issued after the 1st January 1948 will be valid for a period of one year from the date of issue. For all other articles licenses will be valid for a period of six months from the date of issue.

4. A new form of application for licenses has been prescribed, a copy of which is published in the above-mentioned Gazette. Applications received in any other form or with incomplete details are liable to be ignored.

5. Dates for receiving applications for licenses have been specified as follows:—

- (a) Applications from actual consumers of goods from 1st January 1948 to 20th January 1948.
- (b) Applications from parties who have imported similar goods in 1945-46 or earlier years from 20th January 1948 to 10th February 1948.
- (c) Applications from those who did not import such articles in 1945-46 or earlier years from 10th February 1948 to 28th February 1948.

Applications for import of freely licensed articles may however be made at any time.
